

MSUKALIGWA
LOCAL MUNICIPALITY

PHYSICAL ADDRESS: Cnr Kerk and Taute Street, ERMELO 2350

POSTAL ADDRESS: P O BOX 48, ERMELO 2350

PUBLIC NOTICE: PLANNED OUTAGE FOR THE REPAIR OF JERICHO PUMP STATION

Notice is hereby given of the Usuthu River Government Scheme (Department of Water & Sanitation) has planned water shutdown due to an urgent work needed to be done in order to avert catastrophic failure at Jericho Pump Station. During this outage, there will be no water supply to Camden, Kriel and Kendal power stations.

The specific scope of work during the shutdown includes *inter alia* the following:

- Repair leak on the suction manifold
- Install new isolation valves on the Jericho / Kliphoek pipeline
- Repair of leak outside Kliphoek pump station

The water supply will be interrupted as indicated below:

Date : **14 February 2023 (Tuesday)**
Starting time : **00h00 AM**
Finishing date : **16 February 2023 (Thursday)**
FinishingTime : **23h59 PM**

Affected areas will be:

- Ermelo South (John Vorster Park and De Bruin Park)
- Portion of Cassim Park
- Portion of Nederland Park
- Extension 32, 33, 34 and New Ermelo

The following restrictions are to be complied with during this period:

- No use of irrigation system for gardens and lawns
- Washing of paved areas with a hosepipe is prohibited
- Washing of vehicles is only allowed from a bucket
- And any other water wastage activities.

During this period the affected areas / high lying area will be supplied with water through water tankers. Communities are urged not to pay water from water tanks as this water is for free. If they are made to pay for the water they must report this to their councillors.

The municipality appeal to all affected people to bear with us during period. The municipality also urge the community of Msukaligwa to report any water leaks to the municipal call centre for instantaneous response and to use water sparingly.
