

MSUKALIGWA LOCAL MUNICIPALITY

WHISTLE BLOWING POLICY 2023/24

1. INTRODUCTION

- 1.1. Whilst a sound system of internal controls remains a primary means for the effective prevention and detection of fraud, a reporting channel, trusted by officials, councillors and external third parties alike, remains an important tool in the fight against fraud.
- 1.2. Msukaligwa Local Municipality recognizes that, by remaining silent about fraudulent practices and other malpractices affecting the Municipality, an official, councillor or member of the public concerned becomes part of a culture of fostering such improprieties which are detrimental to the legitimate interests of the Municipality as well as to South African society in general.
- 1.3. Msukaligwa Local Municipality recognizes the fact that Criminal and other irregular conduct within Msukaligwa Municipality is detrimental to good, effective, accountable and transparent governance within the Municipality and can endanger the economic stability of the municipality and have the potential to cause social damage.

Every employer and employee has a responsibility to disclose criminal and any other irregular conduct in the workplace and every employer has a responsibility to take all necessary steps to ensure that employees who disclose information regarding criminal and any other irregular conduct in the workplace are protected from any reprisals as a result of such disclosure.
- 1.5. It is important to note that whistle-blowing if understood correctly, is not about informing in the negative anonymous sense, but rather about raising a concern about a malpractice within your municipality. Msukaligwa Local Municipality expects all its councillors and officials, as well as external stakeholders, such as suppliers, service providers, and partners, to disclose information regarding fraudulent practices affecting the Municipality to the Municipality, whether anonymously or otherwise.
